

SECTION 6: FEES AND CHARGES

For information about specific, current fees, visit www.uoit.ca.

6.1 General information

After registration, each student will be able to view a detailed assessment of fees due, through the online registration process. No fee statements will be mailed. Students are responsible for paying amounts owing by the fee deadlines specified in the academic schedule.

Students with fees outstanding beyond the due date will be assessed a late payment fee and will be subject to the university's hold policy. Students on hold are unable to register, order transcripts, or graduate. Other services (e.g. library access, parking passes) may also be denied.

Students expecting to receive financial aid or awards after payment deadlines should make arrangements with the Accounting office. Deferred payment plans are available for a fee. Note that full mobile learning fees must be paid by the end of the first semester. In all cases, outstanding fees must be paid before subsequent registration will be allowed.

A student dropping courses within the first 10 lecture days in any semester will not be liable for tuition fees for those courses. Any student who drops a course after the 10th day of lectures up to the 20th day of lectures will receive a 50 percent refund of tuition fees. No tuition will be refunded for courses dropped after the 20th day of lectures. Students wishing to drop courses should consult the academic schedule in this calendar for specific refund dates.

6.2 Methods of payment

Fees may be paid in cash or by certified cheque, money order, direct debit, Visa, MasterCard, or American Express. Payments are to be made payable to the University of Ontario Institute of Technology. Please do not send cash in the mail.

Fees may also be paid via online or ATM banking at any major financial institution. To do so, students are instructed to use their student number as an account number and to indicate 'University of Ontario Institute of Technology' as the payee.

Tuition deferments may be available for students experiencing financial difficulties. For more information, please contact the Accounting office at 905.721.3022.

6.3 Tuition and fees

Tuition fees are charged on a per credit hour basis, up to the maximum annual program fee. Students who elect to complete additional courses beyond those required by the program will be charged for the additional courses at the regular per credit hour rate.

Tuition, ancillary, and student organization fees are assessed on a semester basis and are due the day before classes begin each semester. Any appeal of this assessment on exceptional medical or compassionate grounds must be made to the Registrar's office.

6.4 Ancillary and student organization fees

Ancillary and student organization fees are charged on a semester basis and are due the day before classes begin each semester. Ancillary fees include athletics, recreation, student services, student life, counselling, student handbook, and information technology infrastructure. Student organization fees include student government and the student centre capital fund.

Students who enrol in less than the full course load prescribed for their program will be charged ancillary and student organization fees on a pro-rated basis.

6.5 Health and dental insurance

Health and dental insurance fees are charged annually and are assessed as part of fall semester fees. These fees are charged to full-time students only. Students dropping to part-time status before the opt-out date will receive a refund of health and dental fees.

International students are required to pay the University Health Insurance Plan (UHIP) fees in addition to regular health and dental insurance fees. The rates are determined by the insurer.

6.6 Mobile Learning program

All students are required to participate in the Mobile Learning program. Mobile learning fees for part-time students are assessed on a per semester basis.
