# TABLE OF CONTENTS

**Section 1: General Information**

1.1 History of the university
1.2 Mobile learning environment
1.3 University library

**Section 2: Academic Schedule 2008-2009**

**Section 3: Governing Bodies and Staff**

3.1 Board of Governors, 2007-2008
3.2 University officers and staff, 2007-2008
3.3 Deans, 2008-2009

**Section 4: Admission**

4.1 Application procedure
4.2 Application deadlines
4.3 Assessment of eligibility
4.4 Admission requirements for post-degree programs
4.4.1 Admission requirements for Bachelor of Education program (consecutive)
4.5 Admission requirements for undergraduate programs
4.5.1 Applicants from Ontario secondary schools
4.5.2 Applicants from secondary schools in other Canadian provinces
4.5.3 Applicants from secondary schools in other countries
4.5.4 International Baccalaureate students
4.5.5 Students applying from other colleges and universities
4.5.6 Mature applicants
4.5.7 Visiting students
4.5.8 Home-schooled applicants
4.5.9 Readmission of former UOIT students
4.6 Advance standing
4.6.1 Secondary school students
4.6.2 Students transferring from other universities
4.6.3 Expiration of credit
4.6.4 Challenge for credit
4.7 English language proficiency
4.8 Conditional admission
4.9 Deferral of offers
4.10 Students with disabilities
4.11 Program Changes
4.12 Honesty in applications
4.13 Appeal of admission decisions

**Section 5: General Academic Regulations**

5.1 Selecting courses
5.2 Course changes and voluntary withdrawal
5.3 Auditing courses
5.4 Letters of permission
5.5 Repeating courses
5.6 Prerequisites/corequisites
5.7 Full-time/part-time status
5.8 Grading
5.9 Academic standing
5.10 Grade changes
5.11 Grade reappraisals and appeals
5.11.1 Requesting a grade re-appraisal
5.11.2 Final grade appeals
5.11.3 Other academic appeals
5.12 Dean's Honours List and the President's List
5.13 Documents and student files
5.14 Curriculum substitution
5.15 Academic conduct
5.15.1 Academic misconduct
5.15.2 Professional unsuitability
5.15.3 Sanctions
5.15.4 Launching and resolving complaints
5.15.5 Complaints resolved by the course instructor
5.15.6 Complaints resolved by the dean
5.15.7 Procedures for informal resolution
5.15.8 Procedures for formal resolution
5.15.9 Transcript notations and appeal process
5.15.10 Appeals
5.16 Residency requirements
5.17 Conferral of degrees
5.18 Graduation with distinction
5.19 Graduation notwithstanding a deficiency
5.20 Dual degrees
5.21 Time limits
5.22 Second degrees
5.23 Other academic policies
5.24 Final examination policy
5.24.1 Scheduling
5.24.1.1 Study Break
5.24.1.2 Generating the Schedule
5.24.1.3 Examination Time Slots
5.24.1.4 Deferral
5.24.1.5 Time Conflicts
5.24.2 Administration
5.24.2.1 Copying and Distribution
5.24.2.2 Centre for Students with Disabilities
5.24.3.1 Proctoring
5.24.3.2 Time
5.24.3.3 Identification
5.24.3.4 Materials
5.24.3.5 Violation of examination protocol
5.24.3.6 Emergency procedures
5.24.4 Grade submission
5.24.4.1 Deadlines
5.24.4.2 Submission

5.24.4.3 Release of grades
5.24.4.4 Grade changes
5.24.5 Miscellaneous
5.24.5.1 Student access to final examination scripts
5.24.5.2 Supplementary examinations

**Section 6: Fees and Charges**

6.1 General information
6.2 Methods of payment
6.3 Tuition and fees
6.4 Ancillary and student organization fees
6.5 Health and dental insurance
6.6 Mobile Learning program
6.7 Co-op and internship fees
6.8 Residence and campus dining plan fees
6.8.1 Residence
6.8.2 Campus dining plans
6.9 Parking

**Section 7: Financial Aid and Awards**

7.1 Ontario Student Assistance Program
7.2 On-campus work programs
7.3 Bursaries
7.4 Emergency loans
7.5 Scholarships
7.5.1 Entrance scholarships (application required)
7.5.2 High Achievement Recognition Program (no application required)
7.5.3 Awards of Recognition (no application required)
7.5.4 Global Leadership Award for International Students (application required)

**Section 8: Student Services**

8.1 Introduction
8.2 Student Life
8.3 Academic assistance
8.4 Hired Career Services
8.5 Personal financial counselling
8.6 Services for students with disabilities
8.7 Intercollegiate Athletic Academic Success Program
8.8 Athletics
8.9 Chaplain services
8.10 Campus Health Centre
8.11 Residence
8.12 Student government
8.13 Student rights and responsibilities

**Section 9: Faculty of Business and Information Technology**

9.1 Degrees offered
9.2 Program information – Bachelor of Commerce (Honours)
9.2.1 General information
9.2.2 Admission requirements
9.2.3 Internship program
9.2.4 Careers
9.2.5 Degree requirements
9.2.6 Program details – Accounting major and minor
9.2.6.1 Accounting major
9.2.6.2 Accounting minor
9.2.6.3 Accounting Professional Designations
9.2.7 Program details – E-Commerce major and minor
9.2.7.1 E-Commerce major
9.2.7.2 E-Commerce minor
9.2.8 Program details – Finance major and minor
9.2.8.1 Finance major
9.2.8.2 Finance minor
9.2.9 Program details – Marketing major and minor
9.2.9.1 Marketing major
9.2.9.2 Marketing minor
9.3 Program information – Commerce Bridge program
9.3.1 General information
9.3.2 Admission requirements
9.3.3.3 Bridge completion requirements
9.4 Program information – Bachelor of Information Technology (Honours)
9.4.1 General information
9.4.2 Admission requirements
9.4.3 Field placement opportunities
9.4.4 Careers
9.4.5 Program details and degree requirements
9.4.5.1 Program details – Game Development and Entrepreneurship specialization
9.4.5.2 Program details – Information Technology Security specialization
9.4.5.3 Program details – Networking specialization

**Section 10: Faculty of Criminology, Justice and Policy Studies**

10.1 Degrees offered
10.2 Program information – Bachelor of Arts (Honours) in Criminology and Justice
10.2.1 General information
10.2.2 Admission requirements
10.2.3 Field work practicum
10.2.4 Careers
10.2.5 Degree requirements
10.2.6 Program details – Criminal Justice specialization
10.2.7 Program details – Gender, Sexualities and Justice specialization
10.2.8 Program Details – Race, Ethnicity and Justice specialization
10.2.9 Program Details – Youth, Crime and Justice specialization
10.3 Honours Thesis and Independent Study courses

10.4 Program information – Criminology and Justice Bridge program
10.4.1 General information
10.4.2 Admission requirements
10.4.3 Bridge completion requirements
10.5 Program information – Bachelor of Arts (Honours) in Legal Studies
10.5.1 General information
10.5.2 Field work practicum
10.5.3 Careers
10.5.4 Admission Requirements
10.5.5 Degree Requirements
10.5.6 Program details – Human Rights Specialization
10.5.7 Program details – Alternative Dispute Resolution Specialization
10.5.8 Program details – Information Law specialization
10.6 Program information – Legal Studies minors
10.6.1 General information
10.6.2 Legal Studies minor
10.6.3 Alternative Dispute Resolution minor
10.6.4 Human Rights minor
10.6.5 Information Law minor
10.7 Program information – Bachelor of Arts (Honours) in Legal Studies with concurrent Court and Tribunal Agent or Legal Administration diploma from Durham College
10.7.1 General information
10.7.2 Field work practicum
10.7.3 Admission requirements
10.7.4 Degree requirements
10.7.5 Program details – Bachelor of Arts in Legal Studies with a concurrent diploma in Legal Administration from Durham College
10.7.6 Program details – Bachelor of Arts in Legal Studies with a specialization in Human Rights and a concurrent Court and Tribunal Agent diploma from Durham College

**Section 11: Faculty of Education**

11.1 Degrees offered
11.2 Program information – Bachelor of Arts (Honours) in Communication
11.2.1 General information
11.2.2 Admission requirements
11.2.3 Field placement opportunities
11.2.4 Careers
11.2.5 Degree requirements
11.2.6 Comprehensive BA in Communication degree
11.2.7 Program details – Digital Media specialization
11.2.8 Program details – Health Sciences specialization
11.2.9 Program details – Science and Technology specialization
11.2.10 Program details – Commerce and Marketing specialization
11.2.11 Communication minor
11.2.12 Program information Communication Bridge Program
11.3 Program information – Bachelor of Education (Consecutive)
11.3.1 General information
11.3.2 Admission requirements
11.3.2.1 Primary/Junior program
11.3.2.2 Intermediate/Senior (I/S) program
11.3.3 Field Experience
11.3.4 Careers
11.3.5 Teacher certification
11.3.6 Degree requirements
11.4 Program information – Concurrent Education
11.4.1 General information
11.4.2 Admission requirements
11.4.3 Field Experience
11.4.4 Careers
11.4.5 Teacher certification
11.4.6 Degree requirements – Bachelor of Science (Honours)/Bachelor of Education

**Section 12: Faculty of Energy Systems and Nuclear Science**

12.1 Degrees offered
12.2 Program information – Bachelor of Applied Science (Honours) in Nuclear Power – BASc (Hons)
12.2.1 General information
12.2.2 Admission requirements
12.2.3 Careers
12.2.4 Degree requirements
12.3 Program information – Bachelor of Engineering (Honours) in Energy Systems Engineering – BEng (Hons)
12.3.1 General information
12.3.2 Admission requirements
12.3.3 Careers
12.3.4 Professional designation
12.3.5 Degree requirements
12.4 Program information – Bachelor of Engineering (Honours) in Nuclear Engineering – BEng (Hons)
12.4.1 General information
12.4.2 Admission requirements
12.4.3 Work placement/internship opportunities
12.4.4 Careers
12.4.5 Professional designation
12.4.6 Degree requirements
12.5 Program information – Bachelor of Engineering and Management (Honours) in Nuclear Engineering
12.5.1 General information
12.5.2 Admission requirements
12.5.3 Work placement/internship/co-op opportunities

12.5.4 Careers
12.5.5 Professional designation
12.5.6 Program details and degree requirements
12.6 Program information Bachelor of Science (Honours) in Health Physics and Radiation Science
12.6.1 General information
12.6.2 Admission requirements
12.6.3 Work placement/internship opportunities
12.6.4 Careers
12.6.5 Degree requirements – BSc (Hons) in Health Physics and Radiation Science
12.7 First-year Engineering Transition Program

**Section 13: Faculty of Engineering and Applied Science**

13.1 Degrees offered
13.2 Program information – Bachelor of Engineering (Honours) in Automotive Engineering
13.2.1 General information
13.2.2 Admission requirements
13.2.3 Work placement/internship/co-op opportunities
13.2.4 Careers
13.2.5 Professional designation
13.2.6 Degree requirements
13.2.7 Automotive Engineering and Management
13.3 Program information – Bachelor of Engineering (Honours) in Electrical Engineering
13.3.1 General information
13.3.2 Admission requirements
13.3.3 Work placement/internship/co-op opportunities
13.3.4 Careers
13.3.5 Professional designation
13.3.6 Degree requirements
13.3.7 Electrical Engineering and Management
13.4 Program information – Bachelor of Engineering (Honours) in Manufacturing Engineering
13.4.1 General information
13.4.2 Admission requirements
13.4.3 Work placement/internship/co-op opportunities
13.4.4 Careers
13.4.5 Professional designation
13.4.6 Degree requirements
13.4.7 Manufacturing Engineering and Management
13.5 Program information – Bachelor of Engineering (Honours) in Mechanical Engineering
13.5.1 General information
13.5.2 Admission requirements
13.5.3 Work placement/internship/co-op opportunities
13.5.4 Careers
13.5.5 Professional designation
13.5.6 Degree requirements – Mechanical Engineering: Comprehensive program
13.5.7 Degree requirements – Mechanical Engineering: Energy Engineering option
13.5.8 Degree requirements – Mechanical Engineering: Mechatronics Engineering option
13.5.9 Mechanical Engineering and Management
13.6 Program information – Bachelor of Engineering (Honours) in Software Engineering
13.6.1 General information
13.6.2 Admission requirements
13.6.3 Work placement/internship/co-op opportunities
13.6.4 Careers
13.6.5 Professional designation
13.6.6 Degree requirements
13.6.7 Software Engineering and Management
13.7 Program information – Engineering and Management programs
13.7.1 General information
13.7.2 Admission requirements
13.7.3 Work placement/internship/co-op opportunities
13.7.4 Careers
13.7.5 Professional designation
13.7.6 Program details and degree requirements
13.8 Liberal studies electives
13.9 First-year Engineering Transition Program

**Section 14: Faculty of Health Sciences**

14.1 Degrees offered
14.2 Program information – Bachelor of Allied Health Science (Honours) – BAHSc
14.2.1 General information
14.2.2 Admission requirements
14.2.3 Careers
14.2.4 Degree requirements
14.3 Program information – Bachelor of Health Science (Honours) – BHSc (Hons)
14.3.1 General information
14.3.2 Admission requirements
14.3.3 Careers
14.3.4 Degree requirements
14.3.5 Program details – Comprehensive program
14.3.6 Program details – Health Information Management specialization
14.4 Program information – Bachelor of Health Science (Honours) in Medical Laboratory Science – BHSc (Hons)
14.4.1 General information
14.4.2 Admission requirements
14.4.3 Practicum
14.4.4 Careers
14.4.5 Professional qualifications
14.4.6 Degree requirements
14.4.7 Program progression requirements

14.5 Program information – Bachelor of Science in Nursing (Honours) – BScN (Hons)
14.5.1 General information
14.5.2 Admission requirements
14.5.3 Practicum
14.5.4 Careers
14.5.5 Professional qualifications
14.5.6 Degree requirements
14.5.7 Program progression requirements
14.6 Post-RPN – BScN (Hons) Bridge program
14.6.1 General information
14.6.2 Admission requirements
14.6.3 Post-RPN degree requirements
14.6.4 Progression requirements
14.7 Post-RN – BScN (Hons) Bridge program
14.7.1 General information
14.7.2 Admission requirements
14.7.3 Post-RN degree requirements
14.7.4 Progression requirements
14.8 Program information – Bachelor of Health Science (Honours) – BHSc (Hons)
14.8.1 General information
14.8.2 Admission requirements
14.8.3 BAHSc degree requirements

**Section 15: Faculty of Science**

15.1 Degrees offered
15.2 Admission requirements
15.3 Work placements
15.4 Program information – Bachelor of Science (Honours) in Applied and Industrial Mathematics
15.4.1 General information
15.4.2 Careers
15.4.3 Program details and degree requirements – Bachelor of Science (Honours) in Applied and Industrial Mathematics
15.5 Program information – Bachelor of Science (Honours) in Biological Science
15.5.1 General information
15.5.2 Careers
15.5.3 Program details and degree requirements – Bachelor of Science (Honours) in Biological Science
15.5.3.1 Pharmaceutical Biotechnology
15.5.3.2 Environmental Toxicology
15.5.3.3 Life Sciences
15.6 Program information – Bachelor of Science (Honours) in Chemistry
15.6.1 General information
15.6.2 Careers
15.6.3 Program details and degree requirements – Bachelor of Science (Honours) in Chemistry
15.6.3.1 Chemistry – Comprehensive
15.6.3.2 Chemistry – Biological Chemistry specialization
15.6.3.3 Chemistry – Pharmaceutical Chemistry specialization
15.7 Program information – Bachelor of Science (Honours) in Computing Science
15.7.1 General information
15.7.2 Careers
15.7.3 Program details and degree requirements – Bachelor of Science (Honours) in Computing Science
15.7.3.1 Computing Science – Comprehensive
15.7.3.2 Computing Science – Digital Forensics specialization
15.7.3.3 Computing Science – Digital Media specialization
15.8 Program information – Bachelor of Science (Honours) in Forensic Science
15.8.1 General information
15.8.2 Careers
15.8.3 Program details and degree requirements – Bachelor of Science (Honours) in Forensic Science
15.8.4 Program progression requirements
15.9 Program information – Bachelor of Science (Honours) in Physical Science
15.9.1 General information
15.9.2 Careers
15.9.3 Program details and degree requirements – Bachelor of Science (Honours) in Physical Science
15.10 Program information – Bachelor of Science (Honours) in Physics
15.10.1 General information
15.10.2 Careers
15.10.3 Program details and degree requirements – Bachelor of Science (Honours) in Physics
15.10.3.1 Physics – Comprehensive
15.10.3.2 Physics – Energy and the Environment specialization
15.10.3.3 Physics – Forensic Physics specialization
15.10.3.4 Physics – Medical Physics specialization
15.11 Science and Management programs
15.11.1 General information
15.11.2 Careers
15.11.3 Program overview and degree requirements
15.12 Concurrent Education program
15.12.1 General Information
15.12.2 Admission requirements
15.12.3 Careers
15.12.4 Program details and degree requirements
15.13 Science minor programs
15.13.1 Biology, Chemistry, Mathematics and Physics minors
15.13.1.1 Biology
15.13.1.2 Chemistry
15.13.1.3 Mathematics
15.13.1.4 Physics
15.13.2 Computational Science minor

**Section 16: Undergraduate Course Descriptions**

**Section 17: Graduate Studies**

17.1. Administration of graduate studies
17.1.1 Dean of Graduate Studies
17.1.1.1 Responsibilities
17.1.2 Graduate program directors
17.1.2.1 Appointment
17.1.2.2 Responsibilities
17.2 Graduate faculty appointments
17.2.1 Categories of graduate teaching and supervision privileges
17.3 Program format
17.4 Student supervision
17.4.1 Faculty advisor appointment
17.4.2 Faculty advisor responsibilities
17.4.3 Research supervisor appointment
17.4.4 Research supervisor responsibilities
17.4.5 Student responsibilities
17.4.6 Student-research supervisor conflicts
17.5 Supervisory Committee
17.5.1 Appointment
17.5.2 Composition
17.5.3 Responsibilities
17.5.4 Chair's responsibilities
17.6 Thesis, project or major paper
17.6.1 Permission to begin
17.6.2 Use of copyright material in student work
17.6.3 Oral examination
17.6.3.1 Examining Committee
17.6.3.2 External examiner
17.6.3.3 Approval for oral examination
17.6.3.4 Examination procedure
17.6.3.5 Outcomes of completion of the oral examination
17.6.4 Project or major paper evaluation
17.6.5 Thesis, project or major paper notation
17.7 Submission of student work
17.8 Intellectual property
17.8.1 Students and ownership of intellectual property
17.8.2 Students and ownership of externally funded research
17.9 New graduate programs and review of existing programs
17.10 Admission policies and regulations
17.10.1 Application procedure
17.10.2 Application deadline dates
17.10.3 Admissions
17.10.3.1 Offers of admission
17.10.3.2 Refusal of admission
17.10.3.3 Appeal of admission decisions
17.10.3.4 Letters of permission (students from other universities)
17.10.4 Description of graduate students
17.11 Student status
17.11.1 Classification of graduate students
17.11.2 Absences from studies
17.12 Financial aid
17.13 Registration policies and regulations
17.13.1 Session dates
17.13.2 Registration
17.13.3 Changes in course registration
17.13.4 Residency requirement
17.13.5 Program changes
17.13.6 Provision for waiver of regulations
17.13.7 Transfer credits
17.13.8 Visiting students
17.13.9 Repeating courses
17.13.10 Deferral of course examinations
17.13.11 Supplemental examinations
17.13.12 Grading scheme and academic standing
17.13.12.1 Academic Standing
17.13.13 Minimum average
17.13.14 Grade changes
17.13.15 Grade appeals
17.13.16 Conferral of degrees
17.14 Degree requirements
17.14.1 Time limits
17.15 Academic conduct
17.15.1 Code of Academic Conduct
17.15.1.1 Academic misconduct: offences
17.15.2 Procedure for resolution
17.15.2.1 Informal resolution
17.15.2.2 Formal resolution
17.15.3 Penalties
17.15.4 Termination of student enrolment
17.15.5 Academic appeals
17.15.5.1 Graduate academic appeals procedures
17.16 Fees and Financial Assistance
17.16.1 Tuition and miscellaneous service fees
17.16.2 Financial assistance
17.17 Graduate Studies: Faculty of Business and Information Technology
17.17.1 Contact information
17.17.2 Degree offered
17.17.3 Program faculty
17.17.4 Program information
17.17.5 Admission requirements
17.17.6 Degree completion time limit and part-time studies
17.17.7 Degree requirements and proposed progression through program
17.18 Graduate Studies: Faculty of Engineering and Applied Science
17.18.1 Contact information
17.18.2 Degrees offered
17.18.3 Admission requirements
17.18.4 Degree objectives and general degree requirements
17.18.5 Part-time studies
17.18.6 Degree completion time limit and residency requirements

17.18.7 Financial assistance
17.18.8 Automotive engineering
17.18.8.1 Graduate faculty
17.18.8.2 General information
17.18.8.3 Research areas
17.18.8.4 Degree requirements
17.18.8.5 Courses
17.18.9 Electrical and Computer Engineering
17.18.9.1 Graduate faculty
17.18.9.2 General Information
17.18.9.3 Research areas
17.18.9.4 Degree requirements
17.18.9.5 Courses
17.18.10 Mechanical Engineering
17.18.10.1 Graduate faculty
17.18.10.2 General information
17.18.10.3 Research areas
17.18.10.4 Degree requirements
17.18.10.5 Courses
17.19 Graduate Studies: Faculty of Energy Systems and Nuclear Science
17.19.1 Contact information
17.19.2 Degrees offered
17.19.3 Graduate Faculty
17.19.4 General Program Information
17.19.5 Admission Requirements
17.19.6 Degree Objectives and General Degree Requirements
17.19.7 Part-time studies
17.19.8 Residency requirements and degree completion time limit
17.19.9 Financial assistance
17.19.10 Courses
17.20 Graduate Studies: Faculty of Science
17.20.1 Contact information
17.20.2 Degrees offered
17.20.3 Master of Science (MSc) in Applied Bioscience
17.20.3.1 Program faculty
17.20.3.2 Program information
17.20.3.3 Admission requirements
17.20.3.4 Degree completion time limit and residence requirements
17.20.3.5 Degree requirements
17.20.3.6 Proposed progression through program
17.20.4 Master of Science (MSc) in Materials Science
17.20.4.1 Program faculty
17.20.4.2 Program information
17.20.4.3 Admission requirements
17.20.4.4 Degree completion time limit and residence requirements
17.20.4.5 Degree requirements
17.20.4.6 Courses
17.20.4.7 Proposed progression through program
17.20.5 Master of Science (MSc) in Modelling & Computational Science
17.20.5.1 Program faculty
17.20.5.2 Program information
17.20.5.3 Admission requirements
17.20.5.4 Degree completion time limit and part-time studies
17.20.5.5 Degree requirements
17.20.5.6 Proposed progression through program

**Section 18: Graduate Course Descriptions**
