

**ACADEMIC COUNCIL**  
**Minutes**  
**Email Vote – January 2006**

The following motion was approved by email vote:

**Changes to Thesis and Directed Studies Courses (Faculty of Science)**

MOTION:

*that Academic Council approve the standardization of the final year project options for Biology, Chemistry and Physics, as follows:*

*Directed Studies Option: Open to all students enrolled in a one semester course who have completed a minimum of 90 credit hours towards their Honours Program.*

*Thesis Project Option: Available by application only to those students enrolled in a two semester course who have completed a minimum of 90 credit hours towards their Honours Program and who possess the appropriate academic qualifications.*

CARRIED  
(17 votes in favour; none opposed)

**Changes to Elective and Breadth Requirements (Faculty of Science)**

MOTION:

*that Academic Council approve the replacement of the current elective and breadth requirements for all Faculty of Science undergraduate honours programs (refer to attached CPRC Report).*

CARRIED  
(17 votes in favour; none opposed)
