

OFFICE OF THE PROVOST

Memorandum

TO: Members of Academic Council
FROM: Richard Marceau
RE: Undergraduate Program Reviews
DATE: October 29, 2007

UOIT's Undergraduate Program Review Policy requires that each year Faculties recommend to Academic Council, for confirmation, the program reviews for the next academic year and the rolling schedule for the next seven years. Accordingly, I am recommending that:

1. Academic Council approve that the following programs undertake reviews in 2008-2009:

Bachelor of Engineering in Manufacturing Engineering
Bachelor of Engineering in Mechanical Engineering (all options)
Bachelor of Engineering in Nuclear Engineering
Bachelor of Science in Health Physics and Radiation Science
Bachelor of Science in Nursing (including post diploma)
Bachelor of Commerce
2. Academic Council approve the attached rolling schedule for Undergraduate Program Reviews.

UOIT Undergraduate Program Review Schedule

<i>Review Year</i>	<i>Program</i>	<i>Faculty / School Responsible</i>	<i>Other Accreditations Due</i>
2007-08	Medical Laboratory Science	Health	2007-08
	Criminology and Justice (all specializations and bridge)	CJPS	
	Biological Science (all specializations)	Science	
2008-09	Manufacturing Engineering	Engineering	2006-07
	Mechanical Engineering (all options)		2007-08
	Nuclear Engineering	Energy	2006-07
	Health Physics and Radiation Science		
	Nursing (including post diploma)	Health	2007-08
	Commerce	Business	
2009-10	Chemistry (all specializations)	Science	
	Physical Science		
	Physics (all specializations)		
2010-11	Health Science (all specializations)	Health	
	Computing Science (all specializations)	Science	
	Forensic Science		
	Automotive Engineering	Engineering	2008-09
	Electrical Engineering		2008-09
	Software Engineering		2008-09
	Information Technology	Business	
	B. Ed-Consecutive P/J & I/S	Education	
BEd/BSc Concurrent	Education, Science		
2011-12	Applied & Industrial Math	Science	
	Manufacturing Engineering and Management	Engineering, Business	
	Mechanical Engineering and Management		
	Automotive Engineering and Management		
	Electrical Engineering and Management		
	Software Engineering and Management		
	Nuclear Engineering and Management	Energy, Business	
	Physical Science and Management	Science, Business	
Biological Science and Management			
2012-13	Newly approved programs to be added
